

Scholarship Fellow

Name: **Ahmed Samir Abdelkhalik Youssef**

Rank: Assistant Lecturer

Department: Basic Sciences and biomechanics

Scholarship Provider: From Ministry of Education of Republic of China
To Ministry of Higher Education in Egypt

Scholarship Degree: Doctorate degree

Scholarship Facility Huazhong University of Science and Technology (HUST).
Tongji Medical College
Department of Rehabilitation Medicine and Physical Therapy

Start Date: September 2016

Expected Completion Date: September 2020.

Main Achievements:

1. Passed all courses.
2. Started my research plan and finished first part of clinical trial.
3. Shared as English speaker in the national conference of rehabilitation medicine all over the china (the biggest conference for rehabilitation in china).
4. Shared in 2 patent certificates.
5. Published paper in international indexed peer review journal IF=2.3 (Thomson and Scopus). <https://trialsjournal.biomedcentral.com/articles/10.1186/s13063-019-3337-0>
6. Published other paper as co-author in international indexed peer review journal IF=1.7 (Thomson and Scopus).
<https://www.tandfonline.com/doi/full/10.1080/19932820.2019.1609304>
7. Shared as poster at international conference 9th World Congress on Bioavailability and Bioequivalence, April 2018, Dubai, UAE.
<https://www.omicsonline.org/proceedings/effect-of-three-different-physical-therapy-approaches-on-function-and-disability-of-the-knee-joint-in-patients-with-knee-85115.html>.
8. Published paper as pre print.

[_Knee_Osteoarthritis?channel=doi&linkId=5ca4682992851c8e64aee1d2&showFulltext=true](https://doi.org/10.2196/med.2018.10000000332250189).

Areas of Self- Development:

- 1- Developed My ORCID <https://orcid.org/0000-0003-3225-0189>
- 2- Prepared article manuscript with perfect scientific writing skills.
- 3- Improved my skills in publishing in indexed journal with impact factor.
- 4- Participated effectively in the scientific events and conferences with quality skills in presentation and interaction.
- 5- Improved my English and Chinese languages.

Back Home Plans:

- 1- Make cooperation with other international universities in rehabilitation medicine and physical therapy.
- 2- Help my university to get high ranking through publishing high quality research papers in high ranked journals and through get post-doctoral position in international universities.
